Mr. Floeth formerly lived in Illinois but for three years has been a resident of St. Louis, where for a portion of this time he has been attending school. He is a young man and has had no experience in regular ministerial work, and will preach his first sermon Sunday evening.

Disputed Salary Question.

An appeal has been taken from the action of the board of county commissioners in allowing the county treasurer H. E. Putman, an increased salary. The appeal, which was circulated by F. C. Tracy, is in the form of a petition to the county attorney, in accordance with the law providing for such appeals.

In presenting his claim for the increase of salary, Mr. Putman based his claims on Section 60, Chapter 15, of the 1897 Session Laws which reads: "In counties having less than ten thousand inhabitants where the assessed valuation of property for purposes of taxation equals that of any county in the territory having from ten to fourteen thousand inhabitants, then the sheriff, treasurer and county attorney of such county having less than ten thousand inhabitants shall be allowed to retain the same compensation or salary as the sheriff, treasurer and county attorney and county clerk of counties having from ten to fourteen thousand inhabitants. It is hereby made the duty of the territorial board of equalization to issue to the board of county commissioners of any county of less than ten thousand inhabitants having an assessed valuation equal to or greater than any county of more than ten thousand inhabitants, a certificate of that fact."

In his claims, Mr. Putman was supported by a certificate from the Territorial Board of Equalization, issued in compliance with the foregoing section. This certificate states that the sheriff, treasurer and county attorney of Beaver county are entitled to the same salary as the sheriff, treasurer and county attorney of Pawnee county. The claimant also filed with the commissioners a bond on conditions that he would refund to the county all salary

in excess of the sum of \$800, a year provided that the courts should hold such excess to be illegal. On these conditions the claims were allowed by the board of county commissioners.

In the appeal from the decision of the board, it is claimed that the valuation and population of Pawnee county, upon which the taxes are levied and upon which the salaries of said county are based is greater for the year 1900 than that of Beaver county, and therefore that the certificate authorizing increased salary should not have been issued and that the action above cited, conflicts with other sections of the law.

R. H. Loombourrow, attorney for Mr. Putman, holds that Pawnee county alone should be taken as the basis in determining the question. On the other side it is argued that Pawnee county, including the attached reservations constitutes the proper basis, in which case the valuation of Pawnee county would be greater than that of Beaver county.

Death of Carlos Brown of Lockwood.

Carlos Brown, of Lockwood, died at his home yesterday morning of pneumonia. During his sickness he had been attended by Dr. Miller. The deceased was about sixty years of age. He leaves a wife and four sons to mourn his death. His wife and sons, Will, Frank, Charley and Bert Brown all live at Lockwood. One of the children, Frank, is reported to be lying very sick at the family residence.

The funeral services take place this afternoon. Rev. J. J. Beasley of this place will preach the funeral sermon.

HARRY J. REAS IS DEAD.

His Death Occurs at Liberal Yesterday Evening at About 7 o'clock.

The Deceased Had Been Ill Only a Few Days When the Summons of Death Came.

News was received here last night that Harry J. Reas a former resident of this place, died at Liberal yesterday, of la grippe and tonsillitis. His death which came suddenly occurred at the home of his mother-in-law, Mrs. Ong. His wife was with him when he passed away.

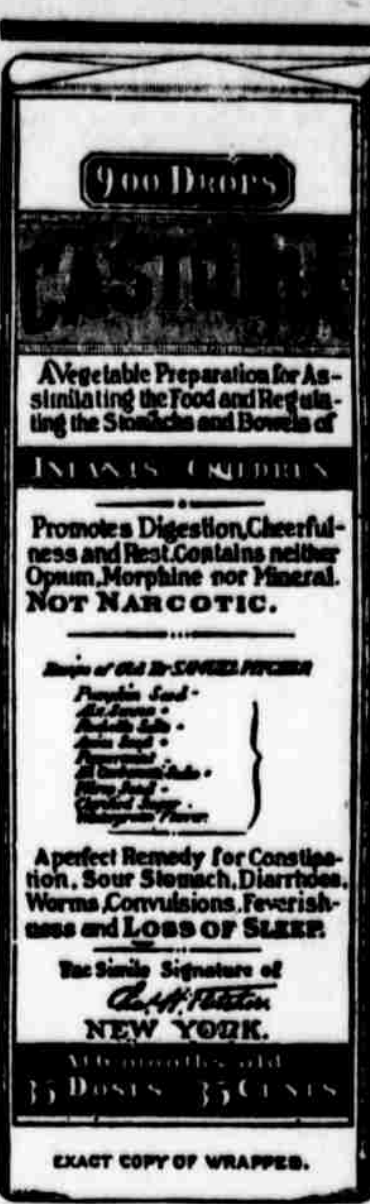

He had started on a business trip to some point in New Mexico and his wife accompanied him as far as Liberal where she expected to visit until he returned. He continued his trip as far as Buffalo, where for some reason he was detained, and at which place he was taken ill with a chill Monday and returned to Liberal that evening Tuesday he appeared to be better, but suffered a relapse and his condition grew worse till he succumbed to the inevitable summons of death. During his sickness he was attended by Dr. Smith but in spite of care and medical attendance the end of life came.

The deceased was thirty-seven years old at the time of his death. He was born in the state of New York, where he spent his childhood days. He came west many years ago, and has since lived in and about Beaver county, being engaged in the cattle business most of this time. After coming west he was married to Miss Maggie Ong. By this union were born to them two children, one son and one daughter. In 1896 Mr. Reas was elected sheriff of Beaver county and was re-elected to the same position in 1898, but resigned his position the following year.

As a man Mr. Reas was highly respected. He was well acquainted throughout the county and enjoyed the confidence of those who knew him. His congenial nature and integrity won for him general popularity. He was a member of the Knights of Pythias lodge at this place and also belonged to the camp of Modern Woodmen at Meade. The surviving members of this family have the sympathy of many friends in their deep sorrow.

The funeral services will be held at Liberal tomorrow morning at ten o'clock. It is understood that the remains will be laid at rest in the Liberal cemetery. A number of Beaver people will attend the funeral.
